ANNOUNCED

THE HOPE BALL

Join us for a dazzling night out at Greenville's most anticipated gala—where elegance meets energy! Dress to impress and enjoy a delicious dinner, sip on signature cocktails, and hit the dance floor to live music that keeps the vibe lively all night long. It's a feel-good evening full of fun, friends, and raising funds to help neighbors in need.

Neighborhood Cancer Connection is a cancer support community for patients and their families.

We believe everyone should have someone to turn to after a cancer diagnosis. Since 1965, Neighborhood Cancer Connection – an independent, non-profit formerly known as the Cancer Society of Greenville County – has committed its resources to providing holistic support for cancer patients and their families: financial, physical, and emotional.

From prescriptions and counseling to nutrition and medical equipment, NCC supports dignity from all angles, while also ensuring every cancer fighter is connected to a vibrant, supportive community – perhaps the most important factor in contributing to a positive outcome. Join us!
